## 2011 - 2012

# Dedication

The class of 2012 would like to dedicate this yearbook to someone who has been an important part of our high school years at Mill River. Mr. Markie has motivated and inspired many of our lives, and he was always available to help us with our school problems or to lend an ear when we just needed to be heard. His comforting smile and warm presence made us feel welcome and a valuable member of the community. We can't thank you enough for all you have done for us through our four years at Mill River Union High School!

# Appreciation

The class of 2012 would like to thank you for all the help you have given our class in fundraising and being one of our class advisors. You have always been there to help and listen to our problems, and you always make us feel like we belong. You have been an extremely positive influence in all our lives in helping to guide us to the next stage in our lives. Thanks for everything you have done for us these past four years!

## Advisors Note

We would like to thank everyone who helped in getting this yearbook together this year. This was our first years as advisors and we had many struggles getting going and getting it done. There were a lot of growing pains this year, but we persevered and got it done! The whole staff worked hard and even though the book may not be perfect, we are very proud of the book we produced. We hope you all enjoy the 2012 MRUHS Yearbook!

Sincerely yours,  
Craig Shappy & Mary Bride
